VERN HERD DISPERSAL SALE

Property of
Mr. Frank Harrington,
Ballinafad House,
Ballybeg, Strokestown,
Co. Roscommon.

VERN CHAROLAIS HERD

The herd was started in 1986. After looking at a number of herds, I came across a cow with size and shape with a magnificent udder. That was "Mourne Polydora". Her heifer calf was the best I had ever seen. That calf was "Tara Ciara". I purchased both from Mr. Walter Feely. He was very reluctant to part with this cow and calf. I finally persuaded him to let me have them.

Polydora's mother was imported from France. Her first calf here "Vern Diana" was 1st prize winner at the Premier in Naas and Reserve Champion Female. She sold for the top price of 4,600gns to the Castlemartin Herd.

Tara Ciara was retained in the herd and produced champion after champion - males and females. These included Champion Bull at Premier at Naas which sold to Enfield AI station at the top price of 7,000gns.

Vern Indigo (VIO), Champion at the Premier in Naas sold to Clarecastle AI. He proved a very good bull breeding a Naas Premier Champion and Carrick-on-Shannon with very good commercial cattle by him.

Another bull sold to Castlemartin herd with several sold to the North.

The most notable about this line was the great amount of milk the females have. All the females trace back to "Tara Ciara".

Tara Ciara was not only a top cow and breeder but a prolific embryo producer. Six embryo's were sold to a French breeder.

Bulls used in the herd were, Erudit, Indurain, Jupiter, Lochness, Domino, Doonally New – one of the all time greats.

The herd is being dispersed due to my ill health.

A worthy thanks to the Secretary, Nuala, and staff of the Charolais Society for their professionalism and kindness to me all down the years.

Signed: Frank Harrington

All animals are Exported Tested and BVD negative.
