Doon Charolais Herd – Richard O’Beirne

The Doon Herd was established in the early 1980s with the purchase of two heifers from the Woodville Herd of Pierre Steinbien and two in-calf heifers from the Kilmoremoy Herd of Michael Quinn, Ballina, Co. Mayo. These two heifers, Abbi and Amanda, formed the backbone of our Doon Herd of females. Abbi, her daughters (incl. Doon Ingrid, Hotshot and Nemesis) and granddaughters, have bred numerous champions over the last three decades.

In December 2002, Abbi had the distinction of being the grand dam of both male and female champions at one of the first society sales at Carrick-on-Shannon, for the Shankill and Doon herds respectively, with Doon Rachel topping the Female Section at €7,600. Females were later purchased from Philip Darcy’s Bellevue Herd Wicklow, stacked with Farmleigh breeding. Bellevue Robin, in particular, was an exceptional breeder and milker; three of her daughters sell Lots 28, 34, and 45.

The best of Irish and French bulls were used through A.I. to enhance and improve the herd. Our priority over the years was to maintain females with good milking ability, fertility and quality. In 2001, the Doon Charolais Herd was awarded the Regional Winner Connacht / Ulster ICBF EBV Award.

Doon Charolais have featured prominently at Naas, Carrick-on-Shannon and Tullamore over the past three decades, winning many Championships and 1st Prizes. A Doon female bred the top price bull (€5,800, her first calf) at the Tullamore November Sale in 2014. This year Doon Image and Doon Impact won Reserve Champion at both Tullamore and Carrick-on-Shannon in February and March Sales respectively. Their dams sell Lot 37 and Lot 16.

I had many memorable and successful days in Carrick-on-Shannon. A highlight at an April Sale was winning both Champion and Reserve and selling 5 bulls that day for an average of €6,350 –

probably the best average ever achieved for that number of bulls at a sale. Another notable highlight was selling a CF52 son (a sale topper) at €8,000 that later produced Fatstock winners for his new owner in Northern Ireland for many years.

After pouring passion, time and energy into growing the Doon Charolais herd, I’ve come to acknowledge that being a one man show going forward is not sustainable as I get older. It’s with some sadness that I sell my Charolais herd but I look forward to seeing them dispersed across the country and beyond, to continue to breed prize winners for their new owners into the future.

Richard O’Beirne

Boulteen Charolais Herd – Clive Jennings

Est. 30 years ago with female purchases from Curraclough, Charolles, Drumnagoon and the Knockane herds. It was these five heifers that provided our foundation blocks with other bloodlines purchased from Springfield, Dolland, Doon and Kylea in later years. Bloodlines include Farmleigh Romeo, Farmleigh Nevada, MMB Apollon, Enfield Picador, Knockane Raymond, Grove Victor, Escott Dollar, Jupiter, Erudit, Panama, Balzac, Excellent, Meillard and Hermes to name just a few.

It was with these lines that our herd had the following goals:

1. To produce cattle that had balance and style
2. To calve naturally and go back in calf
3. Have a good milk supply
4. Have good legs and feet with easy fleshing

Over many years of successful showing our heard gained numerous prizewinners at local and national level. At society shows and sales our bull Boulteen Vivaldi holds the herd's top male price of 9,600 selling to Castlemartin Stud, while our maiden heifer Boulteen Eve holds the top female price of 4,600 selling to Mr. Matt McGuire, Co. Limerick. Our most recent show and sale champion was Boulteen Ivor at Kilkenny in April 2015, born to Boulteen G1020.

However with time always comes change. Having being unable to do much showing in a number of years and with our increasing dairy herd size, we have made the difficult decision to sell our small, but very genuine herd of Charolais.

I have to thank Mr. Richard O'Beirne for the opportunity to be attached to his dispersal.

Finally to any buyers, I wish you well with your purchases and the best of luck in your breeding endeavors.

Regards,
Clive Jennings

Irish Charolais Cattle Society Limited Dispersal Sale Rules

1. The highest approved bidder shall be the Purchaser, and if any dispute arises as to any bid the lot in dispute shall be put up again at the last undisputed bid and re-sold or the Auctioneer may declare the Purchaser. The Auctioneer reserves the right to refuse any bid without giving a reason for doing so.
2. All lots will become the absolute property of the Purchaser from the fall of the hammer and must be paid for in full immediately after the Sale and removed with all faults and errors of description.
3. All lots will be sold in Euro. A commission of 5% of the purchase price is payable by the Purchaser. The commission of 5% is payable by the Purchaser on all animals purchased including those purchased privately on the sale premises at the time of sale.
4. All stock will be sold as they stand and no guarantees will be given. Any known defects will be announced by the Auctioneer at the time of the sale but this will in no way constitute a guarantee.
5. Service dates are given only as a guide and do not constitute that a particular animal is in calf or will calf to that date.
6. Animals certified in calf will be announced and are so guaranteed until 6.00p.m. on the day of the sale or within one hour from the fall of the hammer. No claims will be allowed or entertained concerning pregnancy after 6.00 p.m. or after one hour from the fall of the hammer on the day of the sale. Any claims made must be accompanied by a veterinary certificate.
7. While every care has been taken in compiling the catalogue neither the Auctioneer, the Vendor or the Charolais Society will be responsible for any inaccuracies therein.
8. Neither the Vendor, the Auctioneer or the Mart shall be responsible for any injury, damage or loss sustained by any person on the Sale premises whether as a result of the negligence of the Vendor, the Auctioneer or the Mart or of their respective servants or agents or otherwise.
